THE SHOP

- Tamper Evident Pack
- Full view of the content
- Premium presentation
- Branding

CONSUMER

- Easy to open
- Easy to use
- No fog on the window

ECOLOGY

- Easy to separate
- Monomaterial
- Long shelf life

TEARING THE PAPER RING

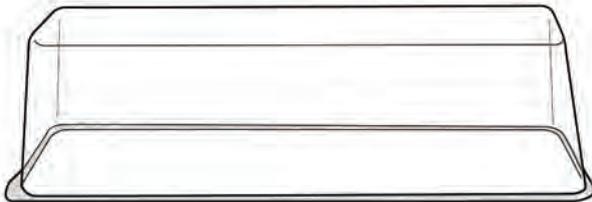

- The ring seals the flange of the tray and the lid hermetically
- The sealing operation is identical to classic lidding film. This results in an easy sealable dome packaging.

TECHNICAL EXPLANATION

Printed paper based sealing ring

Antifog treated lid in APET or PP material

Tray in APET or PP material
